

Astrological Ways To Get Marriage Early

Description: There are astrological solutions based on your Astrological Ways To Get Marriage Early. Astrology provides some miraculous tips for quick marriage.

If your marriage is also getting delayed and you are wondering why I am not getting married? So today we will tell you the reasons for the delay in marriage and ways to get married early. Believe me, by adopting these measures to strengthen your relationship, the desired relationships for marriage will start coming -

According to [Marriage prediction by date of birth](#), after some time in life, a person starts feeling the lack of a life partner. Then to fulfill this shortage, every family starts searching for a suitable bride or groom for marriage. Many times, despite having a good job, own house, and all the comforts, marriages do not happen on time. There can be many reasons for this and many times a person has to spend his entire life alone.

Ways to get married early

- There can be many reasons for non-marriage, adverse planetary position, Mars defect, etc. To overcome all these problems, measures can be taken to get married early. If your marriage is getting delayed or the marriage of any marriageable person in your house is getting delayed or you are facing continuous problems, then take these measures to get married soon.
- Young men and women whose marriage is getting delayed should sleep on a bed that does not have any iron object or junk under it, keeping these things under the bed hinders the marriage.
- To get married early, keep a kalash, jug, or any vessel filled with water under the boy or girl's bed before sleeping at night. Keeping water near the bed gives very auspicious results. If you keep water in a copper vessel, it gives more auspicious results.
- By donating, Gods and Goddesses are pleased quickly and in a very short time, an auspicious marriage happens. For early marriage, donate 1.25 kg of milk and 1.25 kg of gram pulses to a needy person every Monday outside the temple of Lord Shiva.
- If a girl whose relationship breaks repeatedly, then she should offer water to the Peepal, Banyan, or Banana plant on Thursday. Apart from this, offering vermilion mixed with ghee to Lord Hanuman on Tuesday and donating perfume to a married woman on Friday also removes obstacles in marriage.
- For early marriage, reciting Chandika Stotra every Tuesday removes all types of defects.

Other Solutions

A girl whose marriage is breaking repeatedly should keep a copper pot filled with water in front of the idol or picture of Lord Vishnu. Take this vessel outside early in the morning and fulfill your wish with that water. Do not react to anyone's speaking during this process. By adopting this for a month, the chances of marriage become stronger.

Married people should add a pinch of turmeric in water while bathing every Thursday. You have to do this regularly till the 21st Thursday.

By offering water to the root of the Peepal tree for 13 consecutive days, the obstacles in marriage are removed.

Tips for daughter's marriage

- If there is a lot of delay in the marriage of a girl, then offer five coconuts to Lord Shiva, and then by chanting the mantra given below, the marriage will take place. **Mantra:Om Shri Var Pradaya Shri Namah**
- After chanting this mantra five times, worship Lord Shiva by offering raw milk, belpatra, akshat, and kumkum.
- Worship the banyan tree on the full moon day to ward off birds coming from the girl's marriage. After the puja, pray for early marriage and worship the banyan tree 108 times.
- To ward off boys coming to the girl's wedding and to ensure early marriage, apply a little henna on the girl's hand before the bride's wedding on any kind of wedding occasion. By doing this their marriage will happen soon.

Ways to get a boy married early

- To remove the obstacles in the boy's marriage, go to Hanuman ji's temple on Tuesday place his vermilion in front of Lord Ram and Mother Sita, and pray for his early marriage. Do this remedy continuously for 21 Tuesdays. By doing this the obstacles coming in marriage will be removed.
- Marriable people should wear yellow colored clothes as much as possible. By doing this the position of planet Jupiter becomes favorable for them.

Tips to get married early

This trick to get married soon is very miraculous and effective, which is very important for you to know. For this, take eight dates on Friday night and take love from Dada in water. Wrap these dates in a red cloth and keep them under your pillow before sleeping. Float them in some running water on Saturday morning.

By doing this, all those negative forces that are creating obstacles in your marriage are removed.
